WAI LINN AUNG

Frontend Developer

EDUCATION

Great Light Private High School

2016 - 2020

High School graduated with two flying colors in Mathematics and Biology.

University of Computer Studies Yangon

2020 (1st year)

During covid-19 saturation, I dropped out college and I've studying for my passionate carrer job.

WORK EXPERIENCE

Forward Society volunteer (junior frontend developer)

18.3.2023 – 20.6.2023

I was selected for junior frontend developer role for making their youth organization website. We make it with team collaboration . I got a lot of team experiences in this project.

MMSIT workshop

31.5.2023 - Ongoing

I got a lot of challenges and knowledges. I made real life projects with my team such as Hotel Website, Contact Web Application (Google Contact App), Portfolio.
